

Sustainable Morchard meeting minutes 17th of June 2026

Present Paul Tully(chair), , Julie, Sheila, Steve
Apologies from Bunk, Paul Ticehurst Toni.

- **We agreed to The AI trial to record minutes**
- **May's Minutes were agreed**
- **Accounts**

We have £956.12 in our Nationwide account. The hall hire for April and May meetings and the Film night is outstanding together with the cost of the film and an £80 Swift caller for the Hall Swift boxes. **Steve will chase Stephen Leese for the invoice.**

- **Reuseable glasses**

Only a few were offered at Morfest and these were collected from recycled bins, washed and taken to The Playing fields for the Vintage car Rally and fair in August. We debated whether to offer them out for Parishoners private parties and decided to agree this next month when more are in attendance.

- **Hams Habitat Group [gardening for wildlife](#) booklet**

There will be an extra cost of £50 on top of the £397 if we cannot reformat the PDF. **Paul Tulley to determine if Bunk was able to resolve.** We received details of a grant which may be available to cover this cost but unfortunately as we are not constituted, we cannot apply. **All to reconsider whether to have a constitution for any possible future grants** for next meeting.

- **Coffee Pod recycling**

Sheila has confirmed Sarah is happy for the container to go into the London Inn cardboard container and we agreed each time we went to the tip we would take the used Coffee Pods. **Paul Tu will advertise this in the August Messenger.**

- **IT equipment recycling**

The storage and security for this makes it untenable

- **National emergency film and review**

Julie and Steve went to see this in Crediton. It is 50 minutes long followed a panel review and questions. We both felt it would be good to show it in Morchard. **All to Confirm at next month's meeting.**

- Any other business

Paul Tu to ask Bunk if she can help Steve with building our own display board.

Next meeting will be the 8th of July.
