

Sustainable Morchard meeting minutes 8th of July 2026

Present Paul Tully(chair), Sheila, Steve, Bunk, Paul Ticehurst and Toni.
Apologies from Julie.

- **Re useable plastic glasses**

We agreed to offer them out for Parishoner's private parties as well as village wide events. We agreed a 50 pence per glass fine for each lost or broken glass

ACTION: Paul Tully to put details in the Messenger.

The Sports club agreed to use these for the vintage rally and Fair on 1st August but felt they needed an additional 150 pint size glasses.

ACTION: Steve to order another 150

- **Hams Habitat Group [gardening for wildlife](#) booklet**

Bunk is awaiting the updated PDF to avoid the additional £50 reformatting cost. We agreed the personalisation wording on the booklet.

ACTION: Bunk to update document when she receives it and pass PDF onto Steve to order

A discussion took place on whether a constitution would be worth the effort to create.

ACTION: Steve to distribute the work he undertook on this 2 years ago.

ACTION: All to review and discuss at next meeting (September).

- **Coffee Pod recycling**

ACTION: Paul Ti to provide storage bin and put it in the recycling shed in the London Inn car park.

ACTION: Paul Tu will advertise this in the August Messenger.

- **National emergency film and review**

It appears Sustainable Credition are to reshow this film in September, so we decided to defer decision to show it in Morchard until after this

- **Building our own poster stand**

ACTION: Bunk to contact Steve to review design and materials needed.

- **Any other business**

The Vintage rally vendors tent is now full so we will need a Gazebo and volunteers to staff it if we are to have a presence at the fair.

Please contact Paul Tu if you have a Gazebo we can loan for the day. We also need help with staffing so again please let Paul Tu know if you can spare the odd hour during the day.

Next meeting will be the 9th of September (no meeting In August) in the Hall upstairs room.
